25X1 9. [] In a chance meeting with him on the Hill, Bill Jordan, Senate Appropriations Committee staff, asked me whether the Agency had any "foreign assistance resources." It developed Jordan is pulling together information on the Fulbright amendment to the Defense Appropriations Act for Fiscal 1972 and he wanted to be sure he had checked with us. Jordan said he would hope that we would give him the answer that any information from the Agency on this was classified and could not be made available. I told him I would check on this and be back in touch with him.
